**Farmingville, NY** – On February 6, Councilwoman Valerie M. Cartright attended the annual Stony Brook Fire Department installation dinner at Flowerfield in St. James. Councilwoman Cartright, along with Senior Fire Marshal Keith Williams, joined current and former officers, chiefs, and members of the Stony Brook Fire Department to celebrate the installation of new officers. Certificates from the Town of Brookhaven were presented by Councilwoman Cartright to Firefighter Arthur Gureck, a 50 year member; Ex Chief Peter Leonard, a 25 year member; and outgoing Chief Brian McAllister in recognition of their service.

"It takes a certain level of dedication to the community to risk one's life to protect the lives and homes of our neighbors," said Councilwoman Cartright. "I extend a heartfelt thank you to all those who give their time to our local fire departments and emergency medical services."
